Dear Families,

We had fun at **Hartwick Pines** yesterday! Our tour guides led us on a walk through the Old Growth trail and taught us about the trees and animals that live there. We also visited the logging camp to see some of the tools used by the lumberjacks long ago in Grayling as well as the bunk house where they would eat and sleep.

Our **eggs are due to hatch** on Tuesday, the 4<sup>th</sup>. We are hopeful that the incubator did its job and there are lots of chicks developing and almost ready to hatch! We would like to spend the day watching them work their way out of those eggs.

Next Friday, June 7<sup>th</sup>, is our **School Picnic and Portfolio Day!!** You are invited to come at 11:45 to have a picnic lunch of hamburgers and hotdogs. Then join us in the classroom to take a look at your child's portfolio. This is a small collection of work done this year to show off some of the things the kids have been working on. After that, we will get organized for **Field Day**. There will be a lot of students outside at the same time so if you would like to stay, extra eyes on our children would be greatly appreciated! You must have an I-chat form on file in the office if you would like to stay for Field Day.

Monday, June 10 – We will be going to **Yogi Bear's Jellystone Park** for the day. We will leave school at 10:30 and return by 2:45. The kids will rotate through several stations while there, including the jumping pillow, a wagon ride, mini golf, and playing on the playground. Your child will need a sack lunch, including a drink (no pop), for this day.

Our last day of school will be a half day on Friday, June 14<sup>th</sup>! Dismissal will be at 12:41.

Lots of exciting things these last two weeks of school! Please be sure your child is getting enough sleep so s/he can enjoy the fun!

Mrs. Patterson and Mrs. Moffit
